

PRAYER REQUESTS:

- Pray for our farmer friends around the world, on whom we depend at least three times a day for food. As they prepare, plow, and plant their fields, let's lift them up, calling out to God on behalf of their land and the work of their hands. Pray for those who don't have enough.
- Continue to pray for the refugees who have settled in our city. Pray for opportunities to welcome and help them in whatever ways we can.
