Aberdeen Church Worship Schedule (Spring/Summer 2018):

To: Worship planners, musicians, speakers, and other worship volunteers...

Re: The next quarter

As is our practice, we will be following the **lectionary** for our worship services. There are many helpful worship leading and preaching resources on our church website. You will be able to find these resources by heading to our Aberdeen Website and clicking on "Worship Resources".

Also, it should be noted that we now have pew bibles in both Spanish and English and the scriptures will no longer be printed in our bulletin each week. If we can encourage people to be in the habit of taking a bible into the Sanctuary at the beginning of the service, this will help with the flow of the service. It may also be helpful for some if we share the page number of the scriptures being read to make it easier to find and follow along.

Please contact Teresa or Rudy with any questions or suggestions that you may have. We wish you joy and creativity in your planning and leading!

- **Focus Statement** – feel free to include a sentence or two that reflects your theme.
- **Special Music** – there is someone scheduled most weeks for special music/offertory.
- **Altar Table/candle** –the Worship and Education committee will take care of this. If there are no matches on the altar table, please check the "worship room" which is the little room right beside Teresa's office.
- **Children's Story** – is the responsibility of the worship leader each Sunday.
- **Options to include as you wish:**
 - Confession and words of assurance
 - Passing the peace
 - Times of silence
