Over the past year Aberdeeners have helped provide for folks in the community through some requests I have made: Providing a walker for a senior, providing financial assistance for counselling for a young woman, giving a ride to an appointment for a senior, providing a meal for a family going through a difficult time. Thank you for serving our community in this way! If you would like to take part in these or other types of connection with folks in the community, I would love to chat with you. ~ Jeremy Zehr
