Re: The next quarter

This quarter will include Advent, which begins on Sunday December 2nd. The advent resource can be found on the Aberdeen website under the "Worship Resources" tab, on the far right hand side. Here you will find resources for Worship leaders, Speakers, Childrens story and Song leaders. **A special note for those who are worship leading and song leading-** there is a special preview of the new "Voices Together" Hymnal that is being released in 2020 in the advent material. If you would like to use some of this material during the advent season, please feel free to do so. If you choose to do so, please let Teresa know as soon as possible, as this will mean photocopies will need to be made for Sunday's bulletins. The advent material includes Epiphany, Sunday January 6th, 2019. If you have any questions regarding any of this material, or would like a printed paper copy of the material for the Sunday that you are assigned for, feel free to contact Teresa.

As is our practice, we will be following the **lectionary resource** for the remainder of our worship services. There are many helpful worship leading and preaching resources on our church website (including the lent resource). Please contact Teresa with any questions or suggestions that you may have. We wish you joy and creativity in your planning and leading!

- **Focus Statement** – feel free to include a sentence or two that reflects your theme.
- **Special Music** – there is someone scheduled most weeks for special music/offertory.
- **Altar Table/candle** –the Worship and Education committee will take care of this.
- **Children's Story** – is the responsibility of the worship leader each Sunday.
- **Options to include as you wish:**
 - Confession and words of assurance
 - Passing the peace
 - Times of silence

This worship schedule, various resources, as well as links, are all available on our Aberdeen website, under the "Worship Resources" tab on the far right hand side. No passwords are needed.
